- The 2-3 My Gym Party Specialists will arrange everything from start to finish! They will lead an age-appropriate circle time, run lots of fun games and bring out amazing adventures and rides. Kids will also enjoy gymnastics, swings and of course our world famous zip wire!
- Your child will be the star of the party! We will call you beforehand to find out all about the birthday child so that we can cater the party exclusively for them
- Under 3 year olds will enjoy exploring all of our amazing equipment such as our climbing frames, slides, trampoline, ball pit and indoor swings with their parents, plus structured activities including songs, parachute games, bubbles, gymnastics, puppet shows and more!

- Over 3 year olds will enjoy group activities such as relays, games, gymnastics, obstacle courses and our Space Flight!

I have invited a mixture of ages, will this be a problem?

- No! We can cater for a range of ages & we will make sure EVERYONE has lots of fun! Under 6 months go FREE

What is the maximum number of kids?

- No more than 30 please. Birthday child IS included in the headcount

Can we invite Grandma, Grandpa & Aunty?

- Yes! The more the merrier, we have a spacious lobby with seating, but please bear in mind, My Gym parties are designed around the children
- All children under the age of 3 must be accompanied by an adult on the floor
- For children over 4, the party works best if the parents either drop off or watch from our lobby
- Why not let us arrange drinks & food for the adults to enjoy in the lobby while watching the kids having fun?

Can we bring our own food?

- Sorry, only food provided by us can be consumed on the premises and we even have a fantastic cake supplier. You are of course welcome to bring your own Birthday Cake which we can cut and box for your guests to take home after we sing Happy Birthday and blow out the candles!

Anything we've missed? Please don't hesitate to contact us, we can't wait to hear from you!
